

ADOPT A Military Family *Program*

Through the Adopt-A-Military-Family program, NEOPAT has made the holidays brighter for dozens of military families in need. Our program is growing every year with more and more families that need help for the holidays.

CONSIDER PARTICIPATING OR DONATING TO THE CAUSE.

WAYS YOU CAN GET INVOLVED IN THE NEOPAT ADOPT-A- MILITARY-FAMILY PROGRAM

1. BECOME A SPONSOR

Contact Michael Wright at adoptfamily@neopat.org, or visit www.NEOPAT.org to adopt a local military family. Once you are paired with your adopted family, reach out to them to schedule a time when you can deliver holiday gifts to their home.

NEOPAT encourages you to support your adopted family at the level you are most comfortable with. To make a greater impact, consider inviting co-workers, friends or neighbors to join in or help fund your efforts.

2. DONATIONS AND GIFT CARDS

To fund programs like Adopt-A-Military-Family, NEOPAT gladly accepts monetary donations either by check made payable to NEOPAT or through our secure, online donor link found at www.NEOPAT.org.

Gift cards from local retailers such as Giant Eagle, Target, Kohl's, Home Depot and Walmart make great gifts for needy military families. Support the Adopt-A-Military-Family program by purchasing gift cards and mailing them to NEOPAT prior to December 1st.

"Thank you for putting this program together. My family and I bought our gifts and have given them to our family. We really enjoyed this and definitely want to partake again next year."

"We were able to fulfill EVERYTHING the family had on their wish list and then some... I am so overwhelmed by the generosity of the people I work with and you can count on us for next year too!"

HOW DOES NEOPAT'S ADOPT-A-MILITARY-FAMILY PROGRAM WORK?

NEOPAT identifies military families in need for the holidays and may assist them in two different ways:

1. A NEOPAT sponsor is connected with a local military family directly to determine their specific needs for the holidays for their children and family. The sponsor purchases some of the specific requests and delivers them to the military family before the holidays.
2. A local military family receives a set of gift cards from NEOPAT to be used for the holidays.

IN 2019, 80 MILITARY FAMILIES, WITH OVER 200 CHILDREN, WERE HELPED.

All types of sponsors are needed - from single persons and families who sponsor small families, all the way to local small companies that adopt multiple families.

Sponsors can shop for gifts, send in gift cards and/or arrange for meals to be delivered to the military families for the holiday.

If you are concerned about shopping or meeting with the your adopted family due to COVID-19, please know gift cards are perfectly acceptable or you can consider a monetary donation to NEOPAT and we will coordinate on your behalf.
